Good morning:

We received the CBA and upon entering it into my file I noticed the following clerical error:

ARTICLE NO. 31 – EFFECTIVE DATES

This Agreement shall become effective as of January 1, 2020, and shall continue in effect to and including midnight of December 31, 2020. Either party may in accordance with the provisions of Act 111, give notice to the other party of the desire to negotiate with respect to the terms and condition of a New Agreement.

The agreement lists the correct date on the cover page of the CBA. I spoke with Carl and he is requesting the Borough scratch out the incorrect date under Article 31 and write in the correct expiration date of 2022 and initial it and we will do the same. We will also be keeping a copy of this email for our records.

If you have any questions, please call the Union Office.

Thank you,
